Thanks Yvette. This is the first we have ever heard that all Airport items need to be on the regular Agenda. Going forward we will do that.

As Jo said it is too late to move the item. Once the agenda is posted no changes can be made. If you would like to send me a blurb that Barry can read to pull this from the consent agenda then you can put it on the next regular agenda that can meet the deadlines, we can do that. Just let us know.

Hi Jo—Thanks for the update and your comment about citizens and Consent agenda items. I'm just trying to comply with the highlighted section on Page 6 in the attachment.

If we could try to remember not to include airport items on the Consent Agenda, that would be great.

Thanks!

Subject: 1/12/2021 Agenda
Importance: High

Good morning Jo,

Airport has an Item #14, which is Legistar #20-867A Ranking of firms and agreements for requirements of the St. Pete-Clearwater International Airport professional engineering services on the 1/12/2021 Agenda.

Florida House Bill 915 went into effect on 10/1/2020 that requires all AIRPORT items to be listed under the Regular agenda, not the consent agenda, so that citizens have the opportunity to comment on it. I know this information was communicated by Tom to County Admin, but I'm not sure who in County Admin. Can you please move this item from the Consent portion of the Agenda to the Regular agenda? The only exception is delegated items.

If you have any questions or concerns, please let us know.

Thank you,
Cheryl

 - (2) Should the Consultant, at any time, not maintain the insurance coverages required herein, the County may terminate the Agreement, or at its sole discretion may purchase such coverages necessary for the protection of the County and charge the Consultant for such purchase or offset the cost against amounts due to Consultant for services completed. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance shall in no way be construed to be a waiver of any of its rights under the Agreement.
- f) The County reserves the right, but not the duty, to review and request a copy of the Contractor's most recent annual report or audited financial statement when a self-insured retention (SIR) or deductible exceeds \$50,000.

- h) Each insurance policy and/or certificate shall include the following terms and/or conditions:

The County shall have the right, but not the obligation to determine that the Consultant is only using employees named on such list to perform work for the County. The County shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company or companies used. The decision of the County to purchase such insurance shall in no way be construed to be a waiver of any of its rights under the Agreement.
