**USA 3000 Airlines Announces New Service from St. Petersburg-Clearwater International Airport  
New Non-Stop Service to Cincinnati, Ohio**

**Newtown Square, PA. June 25, 2007.** USA3000 Airlines a low fare airline announces New Scheduled Service from St. Petersburg/Clearwater International Airport to Cincinnati International Airport.

Non- Stop service begins to Cincinnati on December 18, 2007 with fares as low as **\$69 each way** plus all applicable taxes. "St. Petersburg/Clearwater and the surrounding areas have been a great market for USA3000 over the past 4 years. Adding new service to Cincinnati with competitively priced non-stop flights, and convenient schedule just made sense." said Angus Kinnear, Chief Operating Officer of USA3000 Airlines With travel onboard USA3000 A320 aircraft, there's no better way than in a spacious aircraft enjoying a fresh snack, in-flight entertainment, all at the price of a low fare airline.

Flights depart every Tuesday, and Thursday on the following schedule from St. Petersburg/Clearwater International Airport (PIE) and Cincinnati International Airport (CVG).

|                    |          |                    |         |
|--------------------|----------|--------------------|---------|
| <b>Depart: CVG</b> | 3:50 pm  | <b>Arrive: PIE</b> | 5:50 pm |
| <b>Depart: PIE</b> | 12:40 pm | <b>Arrive: CVG</b> | 2:50 pm |

Despite low fares, USA3000 treats passengers with amenities, including:

- Presentation of sitcoms and other TV programming onboard all flights.
- A choice of nine music channels for listening enjoyment.
- Flexible Traveler Calendars for online booking – for lowest fare choices
- ROAM – USA3000 Airlines premier In-flight Magazine

"We are pleased to see that USA3000 continues to grow their operations. Now people wanting to get to Cincinnati will enjoy low fares and non-stop service from our Airport." said Noah Lagos, Airport Director for the St. Petersburg-Clearwater International Airport.

USA3000 accommodates pet owners. Cats and dogs are welcome aboard in pet carriers for a nominal fee – reservations must be made. Pets (cats and dogs) can travel in the hold, also for a nominal fee, however a reservation is required, and certain restrictions apply.
