Airport Volunteers Wanted!

The Airport is seeking volunteers to help greet arriving passengers and airport guests. Volunteers in our Visitor Information Booth assist with airport and Tampa Bay tourism information.

The Airport Volunteer position requires a friendly, helpful, independent, positive person who is genuinely pleased to greet and help our visitors. Couples and friends are welcome to work together.

Familiarity with Pinellas County and Tampa Bay, visitor amenities and attractions, general directions, and the airport is preferred. Training and continuing education will be provided to learn more about our community and all it has to offer our visiting guests. Information is primarily accessed through computer and internet use.

Volunteer schedules are selected based on flight schedules and are typically 2–4 hours a session. Afternoon, evening, and late night shifts are available.

In addition to on-site training, Airport Volunteers will attend Pinellas County volunteer orientation and must pass a background check.

If interested, please contact Michele at 727-453-7879 or mrouth@pinellascounty.org for more information. Thank You!
