St. Pete-Clearwater International (PIE) Temporary Closure of Ground Transportation & Short-term Parking Lots, New Taxi and Hotel Shuttle Pick-Up Location

PIE's Ground Transportation Lot will temporarily close beginning February 11th for approximately 30-60 days as part of the ongoing Airport Parking and Roadway Project. Airport ground transportation and hotel shuttle providers will pick-up passengers in front of the terminal.

Beginning February 18th, PIE's Short-term Parking Lot will close for approximately six months. Visitors are encouraged to use the cell phone lot for awaiting passenger pick-up or the long-term parking lot. Please plan extra travel time to accommodate construction in and around the airport. We apologize for the inconvenience.
